To whom it may concern:

This letter is submitted in support of Paul Couvrette of Paul Covrette Studio in Ottawa.

I have been acquainted with Paul for close to 40 years, whose work is well known throughout North America. I first knew Paul as we both worked in Ottawa as photojournalists. My association with him since the early days has been in my capacity as senior photographer with Canadian Press in Ottawa and later as Photo Editor Maclean's Magazine, more recently when I served as Photo Editor for HELLO! Canada magazine.

Paul's work has been exemplary as attested by numerous magazine covers and layouts he has garnered in world renowned publications. His work continues to attract attention. A look at his web site will attest to the quality and professionalism he brings to his craft.

I wholeheartedly recommend Paul for any project he undertakes.

Please contact me if you should have any questions.

Sincerely,

Peter Bregg
