ASHBURY PARTNERS

Attn: Paul Couvrette

Thank you for your support of the 10th Annual Ashbury Ball.

On Saturday, November 6, 2010, the atmosphere in beautiful Maclaren Hall was magically transformed into the city's hottest club, while the school's gym was transformed into a chic marketplace. This year's event attracted a wide audience of guests who enjoyed a memorable evening of fine dining, dancing and auction bidding.

We are delighted to report that this year's Ball raised over \$195,000 for Ashbury College. The majority of the funds collected will be used to provide bursaries to exceptional students whose only barrier to the Ashbury experience is securing tuition fees. The remaining proceeds will be used to enhance programs and equipment in the school.

Your contribution to the Ashbury has helped deserving students benefit from Ashbury's exceptional academic, sports and music programs.

Thank you for investing in tomorrow's leaders.

Thank you,

Sharon Black
