Thank you for supporting this year's Lumière!

Dear Paul,

On behalf of Brookstreet, "It's A New Day" golf tournament, and The Ottawa Hospital Foundation, I would like to extend my sincere thanks to you and your organization for your sponsorship of the 9th Annual Lumière Gala. This year's gala raised \$55,000 to help bring the *Da Vinci Surgical System* to The Ottawa Hospital. Over the past eight years, Brookstreet has distributed more than \$300,000 to local charitable organizations from the gala's success, thanks to supporters like you.

The Ottawa Hospital is a constantly evolving centre of excellence in health care, and surgeons at The Ottawa Hospital want to offer their patients the benefits of robotic-assisted surgery with the da Vinci surgical system. This surgical system is effectively a high-tech assistant, helping surgeons gain access to hard-to-reach areas of the body with greater precision and fewer complications—improving outcomes for cancer surgery patients. With your support The Ottawa Hospital Foundation is now one step closer to bringing this critical piece of equipment to the Hospital. Thank you for making a difference!

Yours very truly,
Brookstreet Hotel Corporation
